

## Ashen Gray

## Engineered Vinyl Flooring

### WPC5020-1-AG

Size:	5.75" x 48" x 7 mm
Wearlayer:	8 Mils UV Urethane
Color:	Ashen Gray
Standards	Floorscore Listed (California Compliant)
Notes:	Tongue-and-groove floating system

Using the latest in tongue-and-groove technology, EPI now offers a wood-plastic composite (wpc) product that requires less floor preparation with a pre-attached underlayment to reduce IIC/STC levels. The goal is to make the most economical solution possible, while maintaining quality that stands to codes and regulations in all 50 states.
